Vision Class

We will continue our discussion-oriented Wednesday evening gatherings about the vision and future direction of BCC on 7/5/2017. If you missed a date and would like to listen to any of the classes (discussion only, not the film), please email Brandon@brightonchristian.church for a link to the audio file.

Beginning Sept. 18, Pastor Jacob will be leading a study group that will be surveying the entire New Testament. This group is designed for those who have a desire to learn more about the essential historical and cultural background of the NT, as well as an examination of the content found in each book. This survey will give you a foundational understanding of the NT and will prepare you for future in-depth NT studies. This study group is ideal for new believers as well as those who desire to refresh their knowledge of the NT. See www.brightonchristian.church for more details.

Pray for the Poland Trip

A team of six from BCC will join others on June 22 to serve in Ostroda, Poland at a Ukrainian children's camp. They will also be a part of a church planting initiative in Warsaw July 1-4. Please keep the team in prayer.

Pray For Our Youth

As our youth head home from the student life conference in Myrtle Beach this Friday, please pray for their safety as they continue their travels!
